

# The Planning, Design, and Construction Process At-A-Glance Diagram

- Applicable Codes/Std/Criteria
- Functional Program Information
- Considerations/Assumptions

## Regarding

- Site
- Equipment
- PDC Process
- Materials & Systems
- ICRA
- Project Cost and Schedule

- Continue Development of Planning Phase Information
- Design Project Elements
- Compliance/Approvals of AHJ's
- Monitor Policies & Procedures (Privacy, ICRA, etc.)
- Create Project Documents
- Validate/Update Scope, Cost, Schedule Information

- Physically Build Project
- Compliance/Approvals of AHJ's
- Monitor Policies & Procedures (Privacy, ICRA, etc.)
- Maintain Scope, Cost, Schedule Expectations
- Occupy Facility
- Update PDC Process Based on Lessons Learned
