

DEAR COLLEAGUE,

SKANDA FOR ASHE BOARD

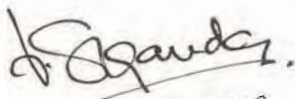

Thank you for giving me the wonderful opportunity to serve on the ASHE board. It is an honor and humbling experience. This has given me the chance to share my knowledge, skills and experience with the board and to achieve some of my visions for our members.

In this endeavor, I had the privilege to visit all five chapters. I served as president for three of them and I was so happy to see the progress they have made in the past few years. I attended their board meetings and was so pleased to see all the great things they are doing to help our members and the communities. We have excellent educational programs, social events and scholarship programs. I want to thank all our vendor members in the architectural, engineering, consultant and construction industry for supporting us. We are very proud of your partnership and we cannot do it without your support. All the revenue from our social events is donated to our local community's child health and education programs. We do offer several scholarships to our members for education and to attend healthcare conferences. I would like to thank all the chapter presidents, board members, committee members and volunteers for making our programs very successful. I want to thank all those who contribute to ASHE committees and task forces.

This year, I am taking the lead for one of our ASHE strategic initiatives "Operation Excellence." I am the ASHE board liaison for the Committee and we have excellent members on our team. Our task is to develop the best comprehensive practice guidelines to achieve operation excellence. This subject is very dear to my heart and with the help of this committee, we will produce the best materials, including a handbook that will provide guidance to achieving "Operation Excellence" in all our healthcare facilities. This is not an easy task and it will take a couple of years, but I pledge to you that we will get this accomplished. This will help all our new members who are entering healthcare facility management in the future.

I have been with ASHE for 29 years and ASHE has helped me tremendously throughout the years. I would like to support ASHE and continue to serve on the ASHE board for two more years and I sincerely ask for your support. I am humbly asking for your vote to get re-elected for the second term.

Thank you.

July 18, 2019

I WOULD LIKE TO SUPPORT ASHE AND CONTINUE TO SERVE ON THE ASHE BOARD FOR TWO MORE YEARS AND I SINCERELY ASK FOR YOUR SUPPORT.

Skanda V. Skandaverl
MBA, FASHE, CHFM, CHC
